Diamond Jubilee

The year 2014 was more than just another 12 months at PLAYBOY. It was a celebration of the magazine's first 60 years, an excuse to look back on six decades of articles and essays that started a national discussion; fiction that changed the landscape of modern literature; interviews with the world's top leaders, entertainers and thinkers; and of course photographs of the world's most beautiful women. This Playboy Special Collector's Edition gathers together the most stunning images from this landmark year, beginning with Italian supermodel Bianca Balti and featuring diamond anniversary Playmate of the Year Kennedy Summers. Here's to another 60.

PLAYBOY

A close-up, artistic portrait of a woman with dark, wet, curly hair. She is looking directly at the camera with a soft expression. A thin, dark strap is draped across her face, passing under her eyes and over her nose. Her skin appears moist, and her hair is glistening. The background is a soft, out-of-focus mix of teal and light blue. In the bottom left corner, the text "Best of 2014" is written in a white serif font, with a small Playboy bunny logo above the word "Best".
